## Principals Report 6th December 2023

Dear Parents & Carers

I cannot believe how close we are to the end of the 2023 school year. As my time at APS draws close to winding up, I would like to acknowledge our amazing school captains, Abby, Jay, Jakobe and Evie. These four young people have given up many hours of their time to represent APS and have worked hard to lead the community and provide input so we can continuously grow and improve as a school.

We are currently in the process of electing our school captains for 2024 and this year's captains, Abby and Jay, are playing key roles in this process. Grade 5 children gave their school captain speeches last week and their peers voted on their preferred applicants.

From here the top 7 candidates have been interviewed – Jay and Abby were part of the interview panel. I must say when I was listening to the speeches I felt incredibly proud of all 18 children who have shown the leadership and courage to put their names forward for these roles. The 2024 captains will be presented with their badges at this week's assembly.

Last Sunday 3 December 2023, we celebrated International Day Of People with Disability.

The day provided an opportunity to recognise the vital contributions of people with disability across our communities and a chance for us to recommit to our work to make the world better and fairer for people with disability, and to ensure their voices are heard in decisions that affect them.

Yesterday we had a great day of learning and fun as we celebrated Japanese Day at Alfredton Primary. Thank you to Sensei and our Japanese Captains, as well as student leaders who organised and help run the day.

There are still many planned celebrations at Alfredton Primary School:

- Foundation transition (December 12)
- Year 7 transition (December 12)
- 5/6 Travel Expo (December 14)
- The mini fete – more information is provided in the newsletter (December 15)
- Grade 6 graduation (December 18)
- Step up day – where children to get to meet their 2024 teacher and classmates (December 19)
- F-2 Movie excursion (December 18)

Kind regards

*Nadia*

**Child safety and wellbeing at  
Alfredton Primary School:**

Information for families and the school community

The Victorian Government has Child Safe Standards to further strengthen child safety across organisations, including schools. The standards recognise the critical importance of families and the broader school community in maintaining and promoting child safety and wellbeing.

Alfredton Primary School regularly reviews and updates our child safety policies and procedures to ensure they meet the requirements of the standards. These are available to view on our school's website, or at the school's front office on request.

We welcome feedback from families and members of our school community on ways we can further strengthen our child safety policies, procedures, and practices. If you have any suggestions, comments, or questions, please contact the Principal by emailing

# RE-CRANKED

On Monday, the Re-Cranked program ended with a great little ride around Victoria Park. Over the past eight weeks Chris and Tom from The Y have been coming to our school, working with a small group of children, teaching them how to repair and maintain their bikes in good working order.

The children have fixed bikes that have been donated to the program and have learned a lot as well as having lots of fun. We have five bikes (one adult male, one female cruiser and three children's) in really good working order, and all looking for a home. If you would like a bike, please let us know at the office.

A big shout out to Tom and Chris from the Y for facilitating this wonderful program for us.

# Japanese News

Yesterday we celebrated all things Japanese. Students were encouraged to dress in Japanese-themed clothing or red and white. Some students also enjoyed a sushi lunch as well as activities and a demonstration by Gary from The Ballarat Kendo Club

## **Foundation, Year 1 & 2**

As the 2023 school year draws to a close, we would like to take the opportunity to sincerely thank all staff involved in teaching Team 1 children. The professional dedication towards teaching our children has been very evident. We also wish to acknowledge the wonderful partnerships that have continued to flourish between the school, parents and carers in supporting the children's learning.

With Team 1 children transitioning to the next year level soon, it is notable how much they have grown and matured. Establishing positive behaviours, following daily routines and building on their friendship groups have all helped them grow in terms of the school's values; respect, responsibility and relationships.

What a great Japanese Day we had yesterday. A special thanks is extended to Sensei for organising the day and to the wonderful Year 6 leaders who helped with the preparations. The sushi lunch orders were popular and a big thank you to all our students for showing great school spirit and getting into the theme of the day.

As mentioned in the previous newsletter, the Home Reading program will stop for the year on Friday, 15th December. The school library has also closed for the year. Please search around the home for any missing or overdue books and return them to school as soon as possible.

## **Important dates:**

**Tuesday 12th December** - State-Wide Transition Day

**Friday 15th December** - Mini Fete

**Monday 18th December**- F-2 end of the year movie.

**Tuesday 19th Step-up Day** 12:30 - 1:40 pm

**Wednesday 20th December** - **Term 4 Ends.**  
**Students dismissed early.**

Kind regards,

## **Year 3 and 4**

### **End of Year Movie**

Years 3 and 4 will be attending the Regent Movie Theatre on Monday 18th December as their end-of-year celebrations. Please watch out for permission notices for this event. We can only take those students who have returned their signed permission forms and who have paid.

### **Mini-Fete Day**

We will be having a mini-fete on Friday 15th December. Children will be encouraged to bring some pocket money to spend on activities. There will be no walk-a-thon this year. More details should be forthcoming on Flexischools, so please keep a lookout.

### **Transition Hour**

On Tuesday 19th December, we will have an hour where students will meet their 2024 classmates and teachers.

On behalf of our Year 3 and 4 teachers, I would like to take this opportunity to wish everyone a great break. Please enjoy the time, creating special memories for both you and your children. Spending time walking through the gardens, going for a picnic, or just playing cricket in the backyard can be the best times of all.

We look forward to working with you all again next year.

Happy festive season,

TEAM 2 Teachers

# Team 3 News

The Travel Expo is fast approaching and all the Year 5 students are excited to set up their displays. As part of the Travel Expo, each student wrote a formal letter to their chosen country's embassy. Credit to the Year 5's letters, several countries got in touch with the school with some even going as far as to send the students parcels full of booklets, cards, maps, brochures and other souvenirs from their countries.

Also, thanks to a letter from a student in 5C, Alfredton Primary School was graced by 4 members of the United Arab Emirates Embassy in Canberra. The visitors from the embassy, ran a presentation with the Year 6 and Year 5 students as well as running a Q&A about their country. It was a fantastic experience for the students who had a lot of insightful questions answered about the country.

A big thank you to the United Arab Emirates Embassy for taking time to visit our school and meet with our Year 5 and 6 students.

## KEY DATES:

- Tuesday 12th December - Year 7 Transition (Government Schools)
- Tuesday 14th December - Travel Expo
- Friday 15th December - Mini Fete
- Monday 18th December - Graduation
- Tuesday 19th December - Step Up Day - Meet and Greet
- Wednesday 20th December - Last day of school, 1.30pm finish

Thanks,

**Gab Mathieson, Tim Smith, Michael Busija, Arlyn Harris, Candice Smith and John Saitta**

## Year 5 & Year 6

Thank you so much to our Grade 5 & 6 families for supporting the Reverse Advent Calendar Initiative this year. Along with donations from staff, we have been able to fill over 10 boxes, with way more than 20 items in each! This means that the organisers of this wonderful fundraiser will be able to fill even more boxes when we deliver them. Your generosity will no doubt make someone's Christmas Day a little bit brighter!

A big thank you also goes out to Amelia Mudford and Jett Delmo who very kindly volunteered their lunch time to help make sure every box had a variety of items. Well done!

We look forward to next year, in which we hope to open this up to our whole school community!

Miss Mathieson

## Year 6

The time has come to say goodbye to our beautiful bunch of Year 6's! The time has certainly flown by. We have had a wonderful year full of fun activities and wanted to reflect on these in our final newsletter. We can't wait to celebrate our achievements on Graduation Day, Monday 18th December! We will be sending out reminders in the coming weeks.

We invite you to  
**EXPERIENCE THE WORLD**

Thursday 14th December

Come visit our mock Travel Expo where students are showcasing everything they have learnt this term about their chosen country!

Students will open the expo from 2:30pm, with families invited from 3:30-4:30pm.

See you there!
